

Judges Tables

Location	Notes
Enter	Contestants will enter up stairs on stage left and immediately walk to the first stop.
1	Contestants will pause at location 1 for a brief second and then walk towards location 2 with their backs to the audience.
2	Contestants will perform a step turn once they reach location 2 so they are facing the audience and in the center of the stage. After the turn, the contestant will stay facing the audience the entire time while proceeding to location 3
3	Once contestants arrive at location 3 they will pause for a brief second and then walk towards location 4 with the right side of their body to the audience, but head still focused on the audience/judges.
4	Once contestants arrive at location 4 they will perform a slight pivot so they are facing the audience again. They will pause for a brief second and then walk towards the exit location on stage right. The left side of their body will face the audience, but head still focused on the audience/judges.
Exit	Contestant will proceed down stairs to exit
